Our Mission and Purpose

Progressive Atheists Incorporated (PA Inc.) is an organisation of like-minded individuals who want to affect a progressive social transformation within our local communities.

We seek to fulfil the following purposes:

1. To foster functional democracy within PA Inc, its processes, procedures and activities;
2. To provide effective accountability of those entrusted with PA Inc leadership.
3. To act in solidarity with other progressive movements, organizations and groups that share our commitment to voicing issues affecting atheists, women, minorities, people with disabilities, people who identify as LGBTIQ, seniors, youth, other species and the environment.
4. To improve communication among progressive groups and organizations in our community in order to galvanize a united front for promoting secularism.
5. To strive for a secular society that grants personal and political freedom from religion, whilst retaining personal freedom of religion and personal freedom of conscience.
6. To create a safe and inclusive environment within which people are encouraged to discuss their ideas honestly, debate social and cultural values, develop ethics, promote social justice and contribute to universal human rights.
7. To go beyond divisive racial, religious, tribal, and sectarian constructs, and instead, contribute to a universal humanity.
