## KEEP EDUCATION SECULAR Protest ACCESS Ministries

**Right now in Australia we have two major incursions into secular education in our public school system. Faith based religious instruction (SRI/SRE) and the School Chaplaincy Program.**

*“ACCESS Ministries is one of the providers of chaplains in Victoria, providing approximately 330 schools with Special Religious Instructors, and came under scrutiny in February when it was revealed one of their educators was distributing homophobic materials.”*

Monday, 26 May 2014 – James Findlay, Rachel Cook

**For LGBTIQ school students** who are being bullied the last thing they need is to be ‘counselled’ by a homophobic chaplain who says that being gay is a disease and you need to be cured.

**ACCESS Ministries ‘Launch 1 Red Teacher Book’** provides a litany of violations to the condition that they must not proselytize their faith.

Children as young as 4 years old are subjected to proselytizing about the existence of a Christian God and told that their lives can be changed by meeting Jesus.

**Progressive Atheists** strive for a secular society that grants personal and political freedom from religion, whilst retaining personal freedom of belief. Secularism was born of Christianity to insure freedom of religion.
