Queensland State Election Candidate Survey Candidate Responses - Raw Data

January 2015

Survey Questions:

1. Religious Instruction:

Do you support removing the joint provision of Religious Instruction (by volunteers) and Bible lessons in class (by classroom teachers)?

2. Secular Schooling:

Do you support the return of the 1875-1910 secular provision into the Education Act to prevent Creationism (Intelligent Design) from being taught as, or in, Science classes?

3. Privacy:

Are you opposed to the compulsory Religious Instruction school enrollment question, that compels parents to divulge their faith/non-faith to Education Queensland, with those answers stored forever in OneSchool central database?

4. Comparative Religious Education:

Would you support a professionally designed and teacher-run curriculum topic, 'comparative worldviews' that covered a multitude of faiths, denominations and worldviews?

5. School Chaplaincy:

Do you believe it is inappropriate, in a state school setting, for our Governments to fund 'religious and spiritual advice' from tax dollars to be given to students from Prep years on to Y12?

6. Voluntary Euthanasia:

Would you support a bill that allowed a terminally or incurably ill person the right to choose the manner and timing of their death, under strict safeguards, by providing humane medical assistance?

7. Age of Consent:

Do you support uniformity of age among laws relating to the age of consent for lawful sexual activity, as already applies in the rest of Australia?

8. Mandatory Reporting Laws:

Are you in favour of removing religious exemptions to the mandatory reporting of child abuse?

9. Anti-discrimination Legislation:

Should religious bodies be prevented from discriminating in employment when the religious observance or polices are not a genuine occupational qualification for that job?

10. Taxation Law:

Are you in favour of changing laws effecting Church property trusts in order to free up funds to compensate survivors of child abuse?
