

Re: Australian Humanist Convention 2017

Rosslyn Ives President, Humanist Society of Victoria. Rosslyn was firm but gentle.

The PA Forum was well attended and excellent presentation on the topic.

Alice Carr, Ali Sayed and Matt Awad with Ian Storey moderating.

Knowledgeable audience actively participated.

Graeme, Fahad and I all set up with lots of information and goodies.

Many people visited our stand and the President of PA, Andrew Rawlings was there to provide the answers.

Peter Munster and many Atheists from all Australia attended the Humanist Convention.

Royston Wilding played Santana music for all to enjoy.
