Cost: \$10 (includes
venue and
refreshments from
12:30pm)

Colin MacKay

His research has led to an active engagement in the secular community. Colin has applied his research skills in investigating the activities of the religious-right here in Australia and abroad.

The Seminar

An interactive session where attendees will

- explore the role of strategic thinking in organisational development
- consider existing models and methodologies
- participate in a planning session for the progress of secular causes
